Working the Collective - Submission Form

Teacher's Name: ______ Date: _______
Student's First Name: ______ School: ______ Grade: ______
Description and Question to Which You Would Like Responses:
Choose a student who is performing significantly below grade level expectations. In your general description, focus on just a few behaviors related to your student's needs in reading, writing, &/or language skills.
Ask yourself:

How can I help the reader form a mental picture of my student?
Did I first give a general description?
Did I give some specific examples of what my student does and says?
Did I focus my question so that I get back the kind of responses that I want?

Is my question too general?
Does my question have enough detail so that it is clear?
